Re: Return Tax Notice

Dear Customer:

Recently we received a return from you in regards to a Property Tax Notice that was mailed to your address. State law restricts us from removing an address from a parcel without having documentation in writing. In order to remove your address from the tax notices that you no longer wish to receive we are asking you to please mark the appropriate box on this form and return to our office in the pre-addressed, stamped envelope. Once we receive this, we will be happy to remove your address from this record. Your time in this matter is greatly appreciated.

Sincerely,
Connie Trujillo
Saguache County Treasurer
